Medical Emergencies in the Dental Office

Dr. Hutten's experience and knowledge extend far beyond the core dental disciplines. After receiving both a Master's degree in Prosthodontics (the artificial replacement of teeth and other mouth/jaw structures) and his D.D.S. from Northwestern University Dental School, his postgraduate education included a fellowship in Oral Oncology and a General-Practice Residency, both at Northwestern Memorial Hospital. He is a Diplomate of the American Board of Prosthodontics and a Fellow in the American College of Prosthodontists. Dr. Hutten is currently a member of the American College of Prosthodontists Board of Directors and currently serves as the Vice President of the College.

He is currently an Associate Clinical Professor of Otolaryngology in the Feinberg School of Medicine at Northwestern University, and is Director of the General Practice Residency in Dentistry at Northwestern Memorial Hospital. Previously he was an Assistant Clinical Professor of Restorative Dentistry at Northwestern University Dental School.

To be Hosted at The Henry Center on February Seventh (7th) 2020.

8:00 AM Registration.

RECAP OF FALL CE Meeting.....

The Central District Fall CE was held on October 24th at the Kellogg Center on the campus of Michigan State University in East Lansing. A reception and meal were catered by the first-rate hospitality department at the college. An outstanding attendance topped 200 people. It was great to see so many colleagues and friendly faces gathered together in one place. This was a great marker of vitality for the Central District Dental Society. Our speaker, Dr. Allan Padbury, Jr provided a very educational review of Periodontal Classifications. Many in the audience remarked on the clinically relevant and useful information gained by this presentation. Additionally, MDA representations reviewed dues changes for the membership and the importance of our voices to the legislature. The elections for Central District positions were conducted in fine harmony like a swiss made watch by Vice President Ben Jamo. For those of you who couldn't make it to the event, please join us in the future because you really missed out. This event was by far more enjoyable than watching a football game in Spartan Stadium. We hope to see everyone at the next CE course in February.
